The Disability Royal Commission officially finished taking submissions in December, and the Relationships Australia Canberra & Region Disability Royal Commission counselling and support service (DRCCS) have joined with This is my Brave Australia (TIMBA) to invite you to join us in a storytelling event for people living with disability, their families, support services and workers. We look forward to learning about others lived experiences through storytelling, art, poetry, music, or any way you wish to express it!

The rehearsals will be held at Relationships Australia Wagga Wagga office, with the final performance to be held at the CSU Riverina Playhouse theatre.

Please contact Bex at Relationships Australia on Amanda.beckett@racr.org.au or on (02) 6923 9100 for any question, ideas, or further information.
